

Fountains at Boca Ciega, Main Dining Room and Kitchen
Pasadena Beach, Florida

Project: Dining room and commercial kitchen

Size: 4,000 SF

Special Features: This dining room addition includes 400 seats, a waiting area with padded bench seat, window treatments and a completely renovated gourmet commercial kitchen with a more efficient layout, wait stations, and new appliances like a grill, walk-in coolers, reach-in commercial ovens, prep counters, and a chef's office.

Project Details: CDP provided complete architecture and interior design services including furniture, fixtures and equipment.
