

Independence Park
Tampa, Florida

Project: Mixed-Use

Size: 625,000 GSF

Special Features: This project features condominiums, parking, retail, offices, and a hotel. 182 residences will be built in three phases around a 3-story parking structure with 13,000 SF of retail on the ground floor. Additional retail and offices include a 4-story building with three levels of office space over one floor of retail totaling 105,000 SF. A premiere hotel with an estimated 129 rooms will total 100,000 SF.

Project Details: CDP is providing planning and complete architectural design services for the first three buildings.
