

Casa Playa & Markman Residence
St. Petersburg Beach, Florida

Project: Condominium

Special Features: The nine oversized luxury residences each have over 30 feet of Gulf front views. They were designed in a Spanish-Mediterranean style that features covered balconies, sweeping archways, and bleached white stucco. The Markman residence has a nautical theme with a stainless steel kitchen, porthole windows, themed artwork and recessed lighting.

Project Details: CDP provided complete architectural services. CID provided complete interior design services as well as furniture, fixtures and equipment to the Markman residence.

Awards and Recognition: 1998, featured in Volume 8 of *Florida Design*. 1997, featured in the 57th Edition of *Florida Architecture*.
