

Crescent Beach Club
Siesta Key, Sarasota, Florida

Project: Luxury condominium

Size: 46,000 SF

Special Features: The unique, site-specific design of the building allows 24 of the 26 residences to have a view of the Gulf of Mexico. It features two pools, a garden, fitness center, and clubroom.

Project Details: CDP provided complete architectural and interior design services including FF&E for select residences.

Awards: Recipient of the 2006 Best in American Living Awards presented by *Professional Builder* magazine and the National Association of Home Builders.
