

**Emerald Coast Bank**  
Gulf Place, Florida

Project: Commercial space

Size: 3,200 SF

Special Features: After being presented with complex site conditions, CDP successfully created a scheme that worked within the city's design code and also matched the client's vision. The site layout features an angled entry and colonnade, a wrapping balcony, and a convenient drive-thru for customers.

Project Details: CDP provided complete architectural design services at this location as well as for a second location in Destin, Florida.
